

“Remember Charlie” Safety Presentation Series

Not just a title but a call to action! “Remember Charlie” captures the audience with a common language -- “Accidents don’t happen to me. Accidents happen to someone else.” A motivating storyteller, Charlie Morecraft recreates his near-fatal accident in engaging detail.

If you and your employees “Remember Charlie,” you will remember to follow safety procedures. This seminar is free and open to the public. Please [RSVP](http://www.ndoil.org) at www.ndoil.org.
