### Unlocking the Mysteries of “Fracing”

*IPAMS to host technical presentation of trusted well completion practice*

(DENVER) – The Independent Petroleum Association of Mountain States (IPAMS) will host Steven Harris, Production and Completions Manager, Williams, tomorrow in a ‘lunch and learn’ presentation in the uses of hydraulic fracturing. The event will be held at the Williams’ office located at 1515 Arapahoe Street, Tower 3, in downtown Denver at 12:00 p.m.

Mr. Harris will present “Advances in Well Completion Techniques: The Evolution of Simultaneous Operations and Remote Hydraulic Fracturing,” which will provide in depth analysis about a key oil and natural gas practice used to maximize well production.

This event is by invitation only and all media related attendees and inquires should be directed to Jon Haubert, Communications Specialist, at 303.623.0987 or [jhaubert@ipams.org](mailto:jhaubert@ipams.org).
